Sound Test: Bikes will be sound tested. The limit is 98 db.

Awards: Top finishers in the AA Class will receive a cash pay-out. Top finishers in all other classes will receive trophies. See the FAQ sheet posted at sign-up for the number of trophies for each class.

Rules & Class descriptions: <http://www.nmaoffroad.org/page/show/295146-rules>

No pre-riding the course. Fueling must take place on the boards in the pits fueling area, **dead** engine and no smoking. Do not cut the course. You cannot go backward on the course. Stay out of the creek and river. Rider may have only one helper in the fueling area. Violators are subject to disqualification. See NMA rules for more details.

Saturday Riding: The lake bed is open to riding on days preceding the race but **stay off the marked race course** – violators are subject to disqualification. You must **not** ride through the creek as you will get a huge \$\$ fine. Remember, your behavior on Saturday impacts our ability to get a permit for the Rimrock race.
